

Liquid Architecture 10

Sydney

24 - 27 June 2009

Australia's premier sound arts festival, celebrates its 10 year anniversary. Liquid Architecture 10 will be a landmark occasion for the festival and for sound culture in Australia. The national festival showcases the best of contemporary sound arts and experimental music in our major cities. With a decade of experience to draw upon the diverse program features the highest quality sound work in an intensely focused listening environment. In Sydney, Liquid Architecture presents a program of events including performances, installations and a forum. The breadth of artistic practices includes meticulous recorded work, improvised instrumental performance, sound for screen, radical uses of digital technology, inventive self-made sound making devices and historically informed practices.

SYDNEY PROGRAM

WED 24 JUNE

Exhibition: *Correspondence* @ Performance Space

Wed 24 - Sat 27 June

FREE

Opening Wed 24 June 6:00pm. Performance by Ruark Lewis & Rik Rue.

Scott Arford (USA), Ruark Lewis & Rik Rue, Lauren Brincat, Vicky Browne, Josie Cavallaro & Memory Flows: Nigel Helyer, Greg Shapley, Maria Miranda & Norie Newmark, Jacqueline Gothe, Ian Gwilt.

A composition of works interrogating ideas of conversation, silence, sound and music. In Memory Flows, artists from the UTS Centre for Media Arts Innovation collaborate around the shared theme of rivers, accessing the flow of memories via objects, sounds and projections.

THU 25 JUNE

Forum & Performance @ Bon Marche Theatre UTS

Forum: *Sustainability of Sound Arts in Australia*

3:00 - 5:00pm

FREE

Julian Knowles (QUT), Paul Mason (Australia Council), Sarah Last (ANAT), Somaya Langley (Electrofringe), Nat Bates (Liquid Architecture), Gail Priest (RealTime).

Julian Knowles is joined by a panel of leading voices from Australian sound culture to discuss important issues around the sustainability of contemporary sound arts practice in Australia.
